

BIO BUSTER

Enzyme Drain Maintainer

BIO BUSTER uses an enzyme-based high-performance formula to naturally eliminate grease and waste and to deodorize and unclog drain lines, grease traps, and septic tanks. Not harmful to pipes.

- Unclogs Drain Lines, Grease Traps & Septic Tanks
- Naturally Eliminates Grease & Waste
- Enzyme-based, High-performance Formula
- Deodorizes Grease Traps & Septic Tanks
- Not Harmful to Pipes

NATURALLY ELIMINATES GREASE & FOOD DEBRIS!

WHERE TO USE

- DRAIN LINES
- GREASE TRAPS
- SEPTIC TANKS

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

DRAIN & SEWER MAINTENANCE: Pour **BIO BUSTER** directly into drain or sewer following pipe diameter dose instructions below. Treat twice weekly or as-needed.

PIPES 2" DIAMETER: 4 OZ | **PIPES 4" DIAMETER:** 8 OZ

PIPES 6" DIAMETER: 12 OZ | **PIPES 8" DIAMETER:** 16 OZ

GREASE TRAP MAINTENANCE: Pour 4-5 OZ directly into sink or pipeline closest to grease trap daily. Flush with one cup of lukewarm water. Only treat grease trap when not in use.

*When applied on a regular basis, **BIO BUSTER** reduces the accumulation of grease in drains, sump pumps & grease traps.*
