

FOAM BRUSH

Foam Brush Detergent

FOAM BRUSH uses a highly-concentrated foaming formula to remove stubborn road build-up from painted surfaces and leaves behind a fresh aroma.

For use in pressure washers, rollovers, foam brush bays, or wherever a high-foaming vehicle detergent is needed. When used as directed, safe for use on clear coat finishes.

- Removes Stubborn Road Grime Build-up
- Highly-concentrated, High-foam Formula
- Leaves Behind a Fresh Aroma

SPECIALLY FORMULATED FOR FOAM BRUSH BAYS!

WHERE TO USE

- PRESSURE WASHERS
- ROLLOVERS
- FOAM BRUSH BAYS

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.
