

# YOUR CHEMICAL SOLUTIONS PARTNER.

All specialty chemical companies are not the same. **EMULSO** provides a comprehensive line of industrial cleaning products & solutions to businesses that keep everything from kitchens to clothing spotless.

With over 100 years of expertise, our perfected, highly-concentrated formulas are safe for use in the commercial food industry but strong enough to remove dried cement from construction equipment.

Today our line boasts over 100 specialized products, many of which are eco-friendly, EPA-registered, & DOT-approved, for users in eight key industrial markets, as well as dispensing equipment and a staff of professional **CleanTech® Representatives** to ensure you are stocked with the right products, at the right time, keeping your operational costs lean & facility sparkling clean.
