

emulso manufactures a complete line of industrial products to keep facilities & equipment in all industries looking & performing their best

emulso industrial cleaners

cleaners & degreasers

non-butyl formulation

ORANGE-X

ready-to-use cleaner/degreaser

Multi-purpose, ready-to-use spray cleaner that dissolves grease & grime.

non-butyl formulation

ALL-PURPOSE PURPLE

economical cleaner/degreaser

Penetrates & removes oil, dirt & grease from surfaces using a water-based, emulsifier-rich detergent formula.

POWERFUL PINK

multipurpose cleaner/degreaser

Melts-away grease & grime from surfaces using a concentrated formula.

non-butyl formulation

CYCLONE RED WASH

general purpose cleaner/degreaser

Attacks & dissolves grease & dirt using an alkaline-based, dilutable formula.

non-butyl formulation

GREASE EATER

colorless cleaner/degreaser

Removes grease using a concentrated, biodegradable alkaline formula.

SUPER CLEAN 1205E

superstrength non-butyl cleaner/degreaser

Cuts through grease, & stubborn soils using a concentrated, non-butyl formula.

Multi-purpose use with dilution

non-butyl formulation

EXTREME ACTION

USDA authorized cleaner/degreaser

Removes heavy grease & dirt build-ups using an odorless, eco-friendly, non-butyl formula.

non-butyl formulation

SUPER CLEAN 205

superstrength butyl cleaner/degreaser

Removes grease, oil & soils using a concentrated, low-foaming, free-rinsing, heavy duty butyl formula.

non-butyl formulation

parts washing

MSC-S77

parts washing detergent

Concentrated aqueous multi-surface parts washing fluid.

For temperatures under 135° F

MSC-S70

high temperature parts washing detergent

Corrosion-free detergent that removes pervasive dirt, soil, grease & oil from parts & equipment.

For temperatures 135° F & over

SOLVIT

tar & asphalt remover

Emulsifies grease & grime from equipment, flooring, siding, sidewalks & tools using a heavy-duty d-limonene & citrus oil formula.

floor cleaners

FLOOR SCRUB HD

hd floor cleaner

Removes heavy soils from floors & equipment using an alkaline-fortified, eco-friendly, low-foaming formula.

WET MOP

neutral floor cleaner

Cleans floors using a neutral pH, no-rinse, low-foaming formula ideal for use in auto-scrubbers.

CYCLONE RED WASH

cleaner/degreaser

Attacks & dissolves tough grease & dirt build-up using an alkaline-based, dilutable formula.

TKO

oil stain remover

Lifts oil & grease from porous surfaces including asphalt, concrete & pressure-treated wood using a non-hazardous liquid to powder formula.

PFC-X

powdered concrete floor cleaner

Removes grease from porous surfaces that do not respond to general cleaning using a powdered formula.

specialty cleaners

ALUMINUM CLEANER

aluminum cleaner & brightener

Cleans & brightens aluminum using a non-hazardous, low pH organic salt-based formula.

Designed to replace hazardous acids like hydrofluoric & sulfuric

INDUSTRIAL PRESSURE WASH

multipurpose pressure wash

Concentrated cleaner for use in pressure washers.

INDUSTRIAL POWER CLEANER

hd pressure wash

Heavy duty concentrated cleaner for use in pressure washers.

CONVEYOR BELT LUBRICANT

aqueous-based lubricant

Cleans conveyor belts & minimizes breakage, friction, & wear using an aqueous, food-safe, non-petroleum, formula.

MAGIC HAND CLEANER

hand cleaner

Removes tough dirt & grime from hands leaving skin soft & clean using a solvent-free formula that contains walnut shell scrubbers & six different lotions.

MACHINE SHOP CLEAN

hd all-purpose detergent

Deep cleans machines, floors, & walls using a neutral pH formula that is safer than traditional acids & alkaline cleaners.

Safe on delicate metals

SUPER CLEAN FC CONCENTRATE

filter cleaner

Immerse filter in diluted solution, remove & rinse to deep clean filters.

BRAKE CLEAN AH

non-chlorinated

A non-chlorinated brake & parts cleaner that quickly removes brake fluid, grease, oil, & contaminants from brake linings, pads & other vehicle parts.
