

# FOAM BRUSH

## Foam Brush Detergent

**FOAM BRUSH** uses a highly-concentrated foaming formula to remove stubborn road build-up from painted surfaces and leaves behind a fresh aroma.

For use in pressure washers, rollovers, foam brush bays, or wherever a high-foaming vehicle detergent is needed. When used as directed, safe for use on clear coat finishes.

- Removes Stubborn Road Grime Build-up
- Highly-concentrated, High-foam Formula
- Leaves Behind a Fresh Aroma
